I'm not so I don't
I can't so I wont
I could but I shouldn't
But I can't so I wouldn't

I might but I can't
I... got so I don't
I would but I shouldn't
But I not so sure I couldnt

Say what you mean
Mean what you say
Say what you mean
Don't say it mean
Say what you say what you say what you mean!

I can't go on like this
I didn't understand a word you said
You didn't mean to not to
But you didn't 'cause you couldnt
But you would of if you could of
And you might but you wouldn't

Say what you mean
Mean what you say
Say what you mean
Don't say it mean
Say what you say what you say what you mean!

For today will soon be yesterday
Tomorrow will be today
And I'm waiting every day
For you to...

Say what you mean
Mean what you say
Say what you mean
Don't say it mean
Say what you say what you say what you mean!

Wont you say what you mean?
Will you mean what you say?

You try to tell me but I don't quite understand
What you think how you feel where you stand
You open up your mouth and then you start to quit
Why don't you just come out and say it!

Say what you mean
Mean what you say
Say what you mean
Don't say it mean
Say what you say what you say what you mean!
