Wishing on a dream that seems far off  
Hoping it will come today

Into the starlit night  
Foolish dreamers turn their gaze  
Waiting on a shooting star

But, what if that star is not to come?  
Will their dreams fade to nothing?  
When the horizon darkens most  
We all need to believe there is hope

Is an angel watching closely over me?

Can there be a guiding light I've yet to see?  
I know my heart should guide me but,  
There's a hole within my soul

What will fill this emptiness inside of me?  
Am I to be satisfied without knowing?

I wish, then, for a chance to see  
Now all I need (desperately)

Is my star to come
