(Alan Jackson)

The snow is falling It's Christmas Eve  
Presents are wrapped Under the tree  
Is there one for me?

I only want you for Christmas, baby  
I don't need nothing else  
I only want you for Christmas, baby  
Tie a ribbon 'round yourself  
Oh, tie a ribbon 'round yourself

I ain't gonna write no letter Send north to the pole  
Cause what I'm wanting this year Saint Nick don't need  
to know

I only want you for Christmas, baby  
I don't need nothing else  
I only want you for Christmas, baby  
Tie a ribbon 'round yourself  
Oh, tie a ribbon 'round yourself  
So put on your Christmas stockings I'll find that mistle  
toe  
Let's get into the the holiday spirits  
And honey ho ho ho ho ho ho ho

I only want you for Christmas, baby  
I don't need nothing else  
I only want you for Christmas, baby  
Tie a ribbon 'round yourself  
I only want you for Christmas, baby  
I don't need nothing else  
I only want you for Christmas, baby  
Tie a ribbon 'round yourself

Oh, tie a ribbon 'round yourself  
Wooo oooo (train noise)  
Oh I had a bicycle  
I had a train too
