Well you've all heard the story  
About Rudolph and his nose  
Well I'll tell you a Christmas tell  
That never has been told  
Well you may think you've heard it all  
But you ain't heard nothin' yet  
About that crazy Christmas  
That the North Pole can't forget

Rudolph was under the weather  
And had to call in sick  
So he got on the horn  
To his cousin Leroy  
Who lived out in the sticks  
He said Santa's really counting on me  
And I hate to pass the buck  
Leroy said Hey I'm on my way  
And he jumped in his pick-up truck  
When Leroy got to the North Pole  
All the reindeer stiggered and laughed  
They never seen a deer in overalls  
And a John Deer tracktor hat  
Well Santa stepped in  
And said just calm down  
Cuz we all got a job to do  
Like it or not Leroy's in charge  
And he's gonna be leading you  
And it was

Leroy The Redneck Reindeer  
Hooked to the front of the sleigh  
Delivering toys to all the good ol' boys  
And girls along the way  
He's just a down home party animal  
Two Steppin all across the sky  
He makes jingle bells with the rebel yell  
And made history that night

Before that night was over  
Leroy had changed there tune  
He had them scootin a holf  
On every single roof

By the light of a neon moon  
Santa wrapped his bad with the dixie flag  
He as having the time of his life  
You could here him call  
Merry Chistmas Yall  
And all of yall a goodnight  
And it was

Leroy The Redneck Reindeer  
Hooked to the front of the sleigh  
Delivering toys to all the good ol' boys  
And girls along the way  
He's just a down home party animal  
Two Steppin all across the sky  
He makes jingle bells with the rebel yell  
And made history that night

He makes Jingle Bells with the rebel yell  
And made history that night
