(Alan Jackson)

Let it be Christmas everywhere  
In the hearts of all people both near and afar  
Christmas everywhere  
Feel the love of the season wherever you are  
On the small country roads lined with green mistletoe  
Big city streets where a thousand lights glow

Let it be Christmas everywhere  
Let heavenly music fill the air  
Let every heart sing let every bell ring  
The story of hope and joy and peace  
And let it be Christmas everywhere  
Let heavenly music fill the air  
Let anger and fear and hate disappear  
Let there be love that lasts through the year  
And let it be Christmas  
Christmas everywhere

Let it be Christmas everywhere  
With the gold and the silver, the green and the red  
Christmas everywhere  
In the smiles of all children asleep in their beds  
In the eyes of young babies their first fallen snow  
Elderlys' memories that never grow old

Let it be Christmas everywhere  
Let heavenly music fill the air  
Let every heart sing let every bell ring  
The story of hope and joy and peace  
And let it be Christmas everywhere  
Let heavenly music fill the air  
Let anger and fear and hate disappear  
Let there be love that lasts through the year  
And let it be Christmas  
Christmas everywhere

Let it be Christmas everywhere  
In the songs that we sing and the gifts that we bring  
Christmas everywhere  
In what this day means and what we believe

From the sandy white beaches where blue water rolls  
Snow covered mountains and valleys below

Let it be Christmas everywhere  
Let heavenly music fill the air  
Let every heart sing let every bell ring  
The story of hope and joy and peace  
And let it be Christmas everywhere  
Let heavenly music fill the air  
Let anger and fear and hate disappear  
Let there be love that lasts through the year  
And let it be Christmas  
Christmas everywhere  
Christmas everywhere  
Christmas everywhere
