Rumors emanating  
From the North to all the Poles  
Outsiders speculating  
Who's designing Santa's clothes  
He's the newest face in Christmas  
And soon the world will know  
That Rudolph's nose  
Is not the only reindeer appendage that glows...

Stephon the alternative lifestyle reindeer  
Heaven help Santa should he call him queer

He's standing tall  
Against the wall  
Of prejudice and fear  
He's Stephon the alternative lifestyle reindeer

Well he came out of the forest  
And that's why he's on the news  
And ever since that legislation's changed  
Now they can't make poor Stephon  
Join in all those stupid stupid reindeer games

Stephon the alternative lifestyle reindeer  
Heaven help Santa should he call him queer

Prancer up in front of him  
He's got Blitzen to the rear  
He's Stephon the alternative lifestyle reindeer  
He's embarrassed by his antlers  
He retains progesterone  
And in his mind he looks like Doris Day  
And if the health plan springs for surgery  
Some day  
You know he really may

Stephon the alternative lifestyle reindeer  
Heaven help Santa should he call him queer

He's standing tall  
Against the wall  
Of prejudice and fear

He's Stephon the alternative lifestyle reindeer

Affirmative reaction

The world is on it's ear

Hey that speech that Jesse Jackson made

Brought Rush Limbaugh to tears

And he'll go down in history

For months or even years

He's Stephon

(Stephon)

The alternative lifestyle reindeer.
