Hey, the old man's back in town  
He's spreadin' cheer around  
He's come a long, long way  
With his reindeer and his sleigh  
He's bringing lots of toys  
For all good girls and boys  
So spread the news around  
Yeah the old man's back in town

He's been waitin' all year long  
Just to bring his gifts to you  
All the elves and Mrs. Claus  
Have been waitin' all year too  
Now they're hookin' up his reindeer  
And they're loadin' down his sleigh  
So take my advice you best be nice  
'Cause the old man's on his way

Hey, the old man's back in town  
He's spreadin' cheer around  
He's come a long, long way  
With his reindeer and his sleigh  
He's bringing lots of toys  
For all good girls and boys  
So spread the news around  
Yeah the old man's back in town  
Now the mistletoe is hung  
And the tree is all a glow  
The carolers have sung  
Every Christmas song they know  
And the kids are all in bed now  
With Santa on their mind  
So the scene is set and you an bet  
He'll show up anytime

Hey, the old man's back in town  
He's spreadin' cheer around  
He's come a long, long way  
With his reindeer and his sleigh  
He's bringing lots of toys  
For all good girls and boys  
So spread the news around

Yeah the old man's back in town

Everybody gather 'round

'Cause the old man's back in town
