Couldn't stop me sinking,  
Thinking that it slipped away  
Couldn't take it higher  
Higher than I been before

Gonna put it to the back of my mind  
And it's never gonna change

Nobody'S gonna lie for me  
Nobody's gonne die for me  
Nobody's gonna know  
That I'm feeling so  
And I, and I  
I think I'm going down

And I'm backning down the hatches  
Shut it down like I did bevor  
Your burning smiles before me  
I'll never see your face no more

Spittin phantom with a story to tell  
And I'm going straight to hell.

Nobody'S gonna lie for me  
Nobody's gonne die for me  
Nobody's gonna know  
That I'm feeling so

Nobody'S gonna lie for me  
Nobody's gonne die for me  
Nobody's gonna know  
That I'm feeling so  
And I, and I  
I think I'm going down  
And I, and I  
I think I'm going down  
And I, and I  
I think I'm going down  
And I, and I  
I think I'm going down, down, down... down
