Look into my eyes, you will find  
An ocean full of love and of light  
Deep inside, deep inside my eyes

Because one heart can never beat alone  
Look into my eyes, you will find  
An ocean full of love and of light  
Deep inside, deep inside my eyes

Because one heart can never beat alone  
And at the end you'll share a dream  
And it will be mine too (2x)

Still believe, ever believe  
You are strong enough within yourself  
Because life is an endless dream  
And at the end we'll be heroes

Once in history you will find  
A soul equal to yours, to share a lifetime with  
Just to count the stars

Fortune is a rare thing, grabbed it  
And make your day  
Because you'll never get a second chance

Still believe, ever believe  
You are strong enough within yourself  
Because life is an endless dream  
And at the end we'll be heroes  
(2x)
