Stop
Look around
What are you doing with your life?
Where are you going?
Are you happy?
Is this what you want?

Stop
Raise your glass
Cheers to another addiction
Self-medicating prophecy
Disconnected mind and body
Is this what you wanted?

Wake up
The mistakes you're making won't erase the pain
This is the break down
Where you face up, take back all you gave away
So you can take down all the hate inside
Remember where you came from
Is this who you'd always thought you'd be?

Stop
Change your name
Step right up on stage
Smile, take a bow
Give them what they want
Why you crying?
Isn't this what you wanted?

Lying still like a corpse
Starving, your heavy head is never empty
You're losing the race but you keep coming back for
