Your reproachful look says it all
So does the silence between us
(Dissatisfaction bred envy)
How can you want to
Be what I am if you do
Not know me at all?
You're saying 'I'm a loser'
Even that you're not quite sure about
(Envy bred anger)
How can you want to
Have my life if you do not know it at all?
You have to know your life could be the dream that you
dare to live...

You wanna be what I am
I wanna be what you are
You wanna be what I am
I wanna be what you are

You don't know what to say,
You're cryin', you never want to see me again
(Anger bred sadness)
How can you want to
Do what I do
If you don't do anything at all?
"discriminated against me"?
If that's what u think- you better think again
(Sadness bred dissatisfaction)
Take a look at yourself
You're sitting here waiting for a miracle...
You have to know your life could be the dream that you
dare to live...
