11 o'clock News!

(Verse one):

""Watch you're own back, son!""
My Dad always told me.
But that wasn't in my mind,
my electrical gate closing slowly!
I was thinking about my pussy upstairs,
waiting patiently,
not knowing that there's two niggas outside
what takes case of me!
Before I know it,
the barrels facing me.
I'm deadlocked,
the pistol in my rear cage,
niggas in the headlock!
I kept the fuck quiet,
so I could peep these niggas unidentified.
It might ???,
they might as be some friends of me!
One shot to the cradle.
My mind's kinda wonderous!
I been flossin' too much,
It's about time,
I got some of this
hardcore haterism!
My time was up,
when nigga called me by name I'm like:
""What the fuck?""
Stuck my head up,

I heard a car in the garage
and that's when the whole fucking scene had a pause.
I thank god,
'cause ??? saved my fucking life,
I caught eye contact,
""Aw, shit! It's my wife!""
The nigga who had his hands free went straight for my
honey,
so I knew this robbery wasn't for no motherfucking
money!
They took my pretty out in the car and put me in it!
Drove off and that's when I knew a nigga was finished!
They put me
