Like they always say, what's good for Num
Is always good for you, let's get high

20 blunts a day, hen and alazae
20 blunts a day, hen and alazae

One, drink a lot, all day
(Two)
Five, smoke a lot, all day
(Twenty)

You know what I came to do
Came to drink wit a gold face same as you
Drop a fifty on the bar for a fifth of Hindu
Got freaks wit me, gotta get gin too

I know hoes think the same as me
Because they came to the club lookin' like freak nasty
Pullin' niggaz on the floor, dance nasty as you wanna
Rub a dub, dub, lap dance in the corner

Same old shit, same old hits, same old click, same old
dick
Bitch, don't look in my eyes, 'cuz I ain't payin'
Ya shoulda known pimpy doo, niggaz, ain't playin'

Just pull down yo' drawls, so a nigga can see
'Cuz I doubt that the pussy is fuckin' wit me
Pop a coochie to the back, pop a coochie to the front
But damn, open yo' thighs, pick up my nigga blunt

What ya really want, what ya really need?
Pop the breaks on that shit and let's get keyed
Girl, I always pictured you in neon lights
Big 44, double D's, what a sight

You and me both, we can get respect
Two triple shots of hen and we'll be on deck
You my type, you old hoe, you my type, you know

(Hen and alazae)
I'm feelin' like I wanna hurl

(Hen and alazae)
I think I'm gonna leave this world
(Hen and alazae)
I been drink a lot all day
(Hen and alazae)
That's why I'm lookin' this way

(Hen and alazae)
I think I need a li'l more
(Hen and alazae)
Send yo' mama to the store
(Hen and alazae)
I can't keep my vision straight
Hen and alazae, zae

Smoke a lot, smoke a lot, why do you smoke?
20 blunts a day, you don't choke
Why bitches doggy style, nut down yo throat
Get up while my dick on yo' coat and I'm bumpin' too
short

Down the block, three on fourth
My nigga Num, drunk on the porch off a muthafuckin'
quart of OE
Nickle and dime ass nigga to a top hat balla, big rigga
like E-Fourtee
Niggaz know me, smoke a lot, only smoke weed, blow
trees
Whole keys, see me in a E-3 dub, rollin' sweet up every
time you see yuk

Peep us, only bad bitches beep us
Turn yo' main squeeze into a cheata, smokin' reefa
Took off my DK's and she fucked us up wit the whole
sneaka
And her pussy, lift yo ass cheeks up so I could see

Mix the hashes up wit the back yard boogie, woogie
Bust nuts on yo' Donna Carra hoodie if it's all goodie
And be a ride a Benz wit my knees, what?
Breakin' trees up, rollin' weed up on my way to the V up
To put the G's up, see yuk, hella high, tinky eyed like
Korea

(20 blunts a day)
I been gettin high all day
(20 blunts a day)
And the blunts get bigger
(20 blunts a day)
Excuse me if my eyes are glazed
(20 blunts a day)

That's why I'm lookin' this way

(20 blunts a day)

Eenie meenie, minie mo

(20 blunts a day)

Sticky, sticky endo

(20 blunts a day)

Step aside and let me blaze

20 blunts a day, blazed

Do it on the way to San Jose

20 blunts a day in the dock of the bay

Niggaz, I'm scratch but they call it Killa Cali

I'm walkin' through the spot in my crocodile ballies

20 bag please, 20 deep east

I finna smoke a stanky and get high as a tree

Wit my dime piece mommie, queen bee's keeper

When the bitch shake her ass, nigga, you should see
her

Wit a taped on bracelet, diamond laced watches

Mossimo jeans wit her condoms in the pocket

The bitch is real bad in a drop top Jag

Sittin' on chrome shelf on paper tag

Slidin' off G-string off in a coach bag

Dolla sign eyes and a stash full of hash

Back to the side where niggaz blaze

Home of the crew and the booty shake

Straight packed club where the hoes be poppin'

Dick all hard, tryin' to shake a li'l sumthin'

Lookin' for the one that'll do me right

Who keep me cummin' all through the night

Ain't no pity if you fall to your knees

Fuck me, suck me but nigga, please

Let a nigga hit it, bitch, I know you wit it

From the back 'cuz my dicks all in it

I stick it in like it ain't no thang

Dick stay hard, OD'd on Ginseng

Come and be my private dancer

A playa like me is yo' only answer

Holla at yo' boy if you wanna play

I got hoes from Miami, up to the Bay

(20 blunts a day)

I been gettin' high all day

(20 blunts a day)

And the blunts get bigger
(20 blunts a day)
Excuse me if my eyes are glazed
(20 blunts a day)
That's why I'm lookin' this way

(20 blunts a day)
Eenie meenie, minie mo
(20 blunts a day)
Sticky, sticky endo
(20 blunts a day)
Step aside and let me blaze
20 blunts a day
