Nummy Num playboy  
I remember when we was hella broke dude  
We just had a dream right?  
We made it happen dude

Chorus:

Jus me and you  
We made it went from broke to havin' thangs  
Jus me and you  
Ooh baby coming way up out the game  
Jus me and you  
We made it went from broke to havin' change  
Jus me and you  
Ohh baby and the songs turn again  
Don't worry bout a damn thang

Numbskull:

We used to be short on the avenue so broke  
on the avenue I couldn't afford to have a brew  
how it happened dude just me and you  
I use to drink brew after you  
you had your daughter first my baby son was born right  
after you  
now we making cash with Dru  
oh look what havin' cash would do  
playahatas come after you  
if they blast at you  
i'd be the first one to prove what the mass would do  
one ain't better than havin' two  
looney individuals off cash and brew  
lace the avenues boy I ain't mad at you  
hindu drinkin glass with you, cheers  
we lasted through years what we have to do  
we finally here, I got 5 showed on the billboard live  
doin' songs with Too Short, courtesy of jive  
front page of the Vibe, live and direct,  
Rafael Saadiq freak that beat chorus and drumset  
make your ears wet like sex, who waitin to come next  
with pavey rolex  
just me and you

Chorus

Yuckmouth:

We risked it and killed in cali before we make bread  
creating our heaven on earth but it's worse we cursed  
from birth  
now turn money and keepin moms happy got me gladly  
livin lavelle  
I say we blessed to have mail  
big willie, I'm numb to the world baby  
don't speak among thangs unless it pays me  
you never see yuckmouth weighin circumstances  
you never see numbskull flossin takin chances  
advancement is okay doe and cheatin is alright  
and it's best to have some killa's on the payroll, day  
and night  
stick and move pick and choose licks  
Benet wasn't in it that's why Benet didn't benefit  
believe my story the tale of glory didn't make me  
believe  
that in america I never had to worry  
Cupid wasn't stupid but never was Numb and Yuck  
it was all dreams and wishes, game and luck  
Just me and you

Chorus

It was gonna happen man  
First we got 5 on it  
Now we got 5 on big beats  
Rafael Saadiq, DJ Quik, G 1  
That's how it happened man  
Once you get large do your thang  
Big thangs man

Numb:

Hey when you saw my show in '94  
you didn't know we'd blow like Nitroglycerin  
Girbaud, Tommy Hill, Timberland  
Playboy I use to rock a pendelton, offecer arrests a  
gentleman  
now I'm spending big deusch marks on German  
women  
in the red light district way out in Amsterdam kickin it  
Adam and Eve coffee shop purchase grams wicked  
disappeared like the grand wizard dig it  
trying to be the richest young black brothas in the  
business

Yuck:

I heard so many times it was hopeless, bogus  
accordin to both of us the world was untouched we had

to focus

I had to explain thangs to the fullest  
figured out what we could and couldn't  
and made plans to get the puddin'  
there's too many rules to made and broke  
the mail is to be made so lets fade a toast  
now tell these folks to let me be all I can be  
so the L-U-N-I-Z will go down is history

Chorus
