Call your girlfriend
It's time you had the talk
Give your reasons
Say it's not her fault
But you just met somebody new

Tell her not to get upset, second-guessing everything
you said and done
And then when she gets upset tell her how you never
meant to hurt no one
And tell her that the only way her heart will mend
is when she learns to love again
And it won't make sense right now but you're still her
friend
And then you let her down easy

Call your girlfriend
It's time you had the talk
Give your reasons
Say it's not her fault
But you just met somebody new

Tell her not to get upset, second-guessing everything
you said and done
And then when she gets upset tell her how you never
meant to hurt no one
Just tell her that the only way her heart will mend
is when she learns to love again
And it won't make sense right now but you're still her
friend
And then you let her down easy

And tell her that the only way her heart will mend
is when she learns to love again
And it won't make sense right now but you're still her
friend
And then you let her down easy

So call your girlfriend
