[Verse 1:]

Say Is This Home
Widely Received
Wherever I Touchdown
Call Me Young Touchdown
Nothin' Deeper Then The Endzone
I Had A Good Year
Like The Blimp Ice Cube Of Pimpson
My Lips Pon
From The Same Blocks
Where I Made Everthing Rock Like Flinstones
Drop With The Rims On
Clock Full Of Jem Stone
Cant Call It
Like Blocks On The Sprint Phone
The Flow Incredible
Remember L.U.P Emrpa
Nickname December
Move Birds Like Winter
Mind On My Tender
Move Words Like Verbs
Drop Lines Like Enter
Gon' Get It Crunk
I Aint Really Gotta Jump Like Centers
Hey'while You Popin And Panicin'
Peep The Dimener That Im Stanin In
Unfaised Like A Mockin A Manican
Dont Think Its Fluff Cuz The Pamerin
Im Still Ruff Like The Unpaved Man
Like The Unpaved Madison
Straight Where I Stay
Like Dogs Tht Dont Move
Abediant School Made Me So Cool
I Was So Unrule
I Used To Chase Car From Female Dogs
Wouldn't Sit With Shit
On The Floor Now U Cats Can't Move
...!

Ima Chaser
And Nigga Tryin Take Me Off My Paper

Like Erasers
Let Put U On To Somethin
All I Got Is The Otha End For Them
And They Brotheren
That Wanna Get It Bubble
Its Nothin
So Be Clear
Like I Pretend To Be Here
Not Just Friend
But If U Feel U Need It
Than I Can Be Your Last One Like Jesus
With The Ease To Speech No English
U Can Be As Hard To Sign Language
With No Fingers
Drama For The Domas
Sky It So It Lingers
I Never Forget Like Elephants
Thought U Had Ur Self A Slippa
Like Cinderela's Prince
But Instead You Got A Pimpa
That Wasn't Hesitant
To Help U Limp Like Empatence Jack
Viagra So Be More Exact
Empera The Emgera
Perhaps
I Rap To Much On The Issue
Back To My Ritual
We'll Be Back
If I Happen To Miss
Clappin A Pistol
Burnin'
Like Clap When U Piss Dude
Laugh As A Chick Do

Hhaaha Hardy Har Niggas
