Yo
[Pharrell:] Hold it now
Uh
[Lupe Fiasco: spoken]
Get up and just walk up to her and say(go over there) hi
That's all you gotta do is say hi
That's all you gotta do
Is say hi

Well I know I'm not the coolest
And this might sound kind of foolish
Cus I know I'm not tha smoothest
Told myself I shouldn't do this
Cus I'm not very well suited
Not tha popularist of students
We aint n tha same crowd
Always c u with tha hoopers
But we got tha same lunch
U might c me with tha cooler
That's cus lon eat pork
U can never b sure
O u like Linkin park
that's tha hat from tha tour
I got a autographed shirt they wrote "much love 2 ya"
Man that's really funny how we like tha same music
But I really love jazz
I was gonna play tha tuba
I tried to join tha band they sed I was really really bad
Didn't really make me sad
I'm used to being tha loser
But u I think ur super
So much I had to pursue ya
I don belive tha things they sey or tha football teams
rumors
Tha quarterback can't spell
I'm his after skool tutor
I juss took a cue from cupid
Now I think it's stupid
I'm sorry
And then I walked away
Thinkin that she would never talk to me

Like wat wer u thinking
Bringing up tha band
U would have got a better result if would have just beat
her up and ran
U shouldn't worn ur glasses
Take ur shirt up out ur pants
C now it's all over
And u wont get another chance
Damn
I was soo close to her
Then I felt a hand on ml shoulder
She sed I no ur not tha coolest but I swer u r tha cutest
And I no u played tha tuba
I seen u at tha recital
It takes a lot to get up ther and embarrass urself
But u shouldn put down u should merit urself
That just mean u not a punk
I like thelonius monk
His tha wallpaper on ml computer
I luv final fantasy
I hate first person shoters (me too)
Meteroa was nice
But I bought hybrid theory twice
Half of tha cheerleading squad is in tha stouper
Tha only reason I du it cus ml mother took state wen
she was a junior
And she want me to du tha same so I'm like naw
I wanna be an oncologist and diagnos tumors
I gotta a pet parrot his name is mister tuna
ml favorite food is fish
remember that for tha future
mi I'm name is miss luana u can hit me after six
(How u feelin right now?)yes yes yes yes yes yes
cum see more we have things 2 du
(How u feelin rite now?)
[Woman:] that was wonderful... he did things 2 me uve
never done b4
Huuuuu ur that nerd
[Man:] yea
Woman: o god u were wonderful
[Man:] thanx
