(feat. Sarah Green & Verbal)

Lupe!
Ho, Verbal
Fnf U.P.
Yea We Do What We Do
Chicago Mann

[Chorus:]
Can You Let Me Know?
Baby Can We Get Up Together?
I Like This, I'll Treat You Better
Don't Waste No More Time, Baby
Maybe We Can Go
Baby I'm Down To Do Wahtever
I Dont Really Care It Doesnt Matter
Lets Not Waste No Time
Maybe, Lets Go

Love, You Gotta Love It
Hold Hands In Public
I Does It, Cool
I Dug It
Everything U Do
And Everything U Does It
Everything U Done
Hope Im The One You Does It To
Hope This Shit Goes Wrong
And Im Cutting Two
So I Can Feel It Twice As Much As 2 Lu's
2 Lu's Is Sumtin Dat I Dun Ever Wanna Do
Im Too Loose To Check On This Shrek Like Choo
Choose, To Choose Id Rather Have You
Even If Its Ham And Ill Hold For The Hoe
If I Have To
But I Dont Wanna Won
Thats Too Close To None, Come
But Get Rid Of The Gun
Thats Covered In Clues
The One That U Used To Kill Off The Player Inside
And I Brought Flowers From The The Funeral For Ya

U Should Come And Make Moves For A Brother Like Uh

[Chorus]

Yea I Go By The Name Of Verbal
Yea Lets Go, Yo
It All Happened In A Second
My Universe Froze
Aint A Situation That I Chose
But It Chose Me
When I Caught A Glimpse
Of A Beautiful Just Posin
I Kno That All The Rappers Be Talkin About Clothes And
Hoes
But She Aint That Type, Ya See
Anyway Im Still Froze Like Chronogenic Form
I Need To Get Warm
Shes My Cue, I Gotta Transform
So I Cud Come With W/E She Wants
Shes Already Flossed And Glossed Charmed Like The
4 Seas
Cant Imagine What Her Closet Will Cost Me
Yea, My Brain Spin With Velocity
Thinkin Of Ways To Get Up
Wishin But I Cant That I Cud Be The Man
So I Just Stand, Wishin I Cud Ask Her

[Chorus x2]

Yea, Uh Uh
Yea At Times Like This
I Dunno What To Do But To Rhyme Like This
She Prolly Dont Even Kno That I Exist
Cant Figure Why I Cant Take Risks
Yea
At Times Like This
Im Wishin I Cud Be A Lil Stronger Than This
Too Many Worries And Prerequisites
Just To Greet Ya, Just To Meet Ya
So Far, Still So Far Apart
All I Want Is Just To Talk Uh, Uh Uh
Swear To God, Uh
So Far, Still So Far Apart
All I Want Is Just To Talk Uh, Uh Uh
Swear To God, Uh

Chicago Mannnn
