Ma, what you wanna do?
(With me tonight)
I'm try'na leave with you tonight

Sexy mama gotta, have you. I'm try'na get with you
Coming papa, you can have it, so what you wanna do?
I wanna freak with you (All night)
I wanna freak you too (All night)
And if we ride, I'll take you off your feet tonight

(Hey, let me talk to you)
As I come closer, you can feel my glaring
Feel like I cant stop staring
Come close, I want a taste
Ooh, girl, dont make me wait

Cant take this feeling anymore,
I must have you between my fingers
My lips on top of yours
My body begs for more

Sexy mama, gotta have you. I'm try'na get with you
Coming papa, you can have it, so what you wanna do?
I wanna freak with you (All night)
I wanna freak you too (All night)
And if we ride, I'll take you off your feet tonight

Baby ven aca que quiero tenerte
Acercate a mi, no me digas nada
Y dejame desvestirte, sentirte
Baby ven aca, que quiero tenerte
Acercate a mi, no me digas nada
Y dejame desvestirte, sentirte

(Sexy mama) I wanna have you tonight (Toooooonight!)
(Que quiero tenerlo, baby baby baby)
(Sexy mama) I wanna have you tonight (Toooooonight!)
(yo quiero tenerte, que quiero tenerlo)

(que yo quiero)Sexy mama gotta have you, I'm try'na
get with you

Coming papa, you can have it, so what you wanna do?
I wanna freak with you (All night)
I wanna freak you too (All night)
And if we ride, I'll take you off your feet tonight

This song is dedicated to all my ladies (Yes)
Le doy las llaves de mis mercedes (Aouuh)
Tengo dos diferente color (Aha)
Pero por dentro el mismo interior (Aha)
Montate en el yate pa' que vacile
Pa' que la-Pa' que la pases bien
Tengo musica pa' que te motive
Pa' que la-Pa' que la pases bien

Si quieres dame un call, que esta noche estoy pa ti
Chuleria de grati, por deja hasta gatis
Por usted yo asalto un banco y luego pongo a ceratti
No es que me crea yo pa ti pero me enamore de ti
Usted me tiene enchulao, bien enamorao
Caminando por la alcoba enfermo de medio lao
Que bien se siente en la cama sudao
Viendo lo amanecer los dos juntito pegao

(Coming papa, you can have it)
Sexy mama gotta have you, I'm try'na get with you
Coming papa, you can have it, so what you wanna do?
I wanna freak with you (All night)
I wanna freak you too (All night)
And if we ride, I'll take you off your feet tonight

Sexy mama gotta have you, I'm try'na get with you
Coming papa, you can have it, so what you wanna do?
I wanna freak with you (All night)
I wanna freak you too (All night)
And if we ride, I'll take you off your feet tonight
