Yeah...
Yeah, yeah, yeah...
Wooooooh...
Mi-Mi-Mi-Mi flow...
Baby Ranks!
(Featuring...)
(N-n-n-n-n-Notch...)
Respect...

If, if, if, if, if...
If you ever change your mind
Only turn back the hands of time
Cross my heart and hope to die
I don't wanna see you cry
I don't wanna see you cry
Can't take this one side affair
I know for you it's much to bear
When you're drowning in despair
Just know I'll always be right there
Right there, right there, right there...
(Verme...) No, no, don't want no more
Maybe you're gonna regret it someday
You feel that you'd be better off
But it's still your loss
And you know it, take it
Take it as a loss
You'll regret, the very thing
When you just up and left
You can act you're better off
But it's still your loss
You'll regret it, regret, regret

No serÃ¡ fÃ¡cil olvidarte de mÃ¡
Yo te hice feliz, lo sabes, lady
y aunque my baby, te quiero a ti
No pienses que yo irÃ© por ti
Now you're calling, you're feeling lonely
Hoy sentirÃ¡s lo que yo sentÃ­a por ti
Se que hay un dolor y un vacÃ­o muy dentro de ti
Pero fue lo que decidiste, lady
Que quieres de mÃ¡, recuerda de que al fin

Arrepentida vuelves tãº aquã
Necesitas verme y regresas por mã
Se que te mueres por mi...
No puedes olvidarme...
Estoy en tu piel...
Lo sabes bien...
No quieres perder...
Ni un minuto sin mã ser...
Arrepentida estas, no finjas mas...
Verme no quieres mas, y tal vez...
Te arrepentirãis, yo se...
Serãis tu quien perderãis...
Serãis tãº, tãº lo sabes...
Verme no quieres mas, y tal vez...
Te arrepentirãis, yo se...
Serãis tu quien perderãis...
Serãis tãº, tãº lo sabes...

(the above meaning in english)

[It will not be easy to forget about me
I'm happy I did, you know, lady
and although my baby, I love you to you
Do not think that I will go for you
Now you're calling, feeling lonely
Today we feel what I feel for you
I know there is pain and a very empty inside you
But it was what they decide, lady
That want me, recalls that at long last
Repentance you can come back here
You need to go back and see me for me
I know you are eager to my
You can not forget
I'm your skin
We know well
You do not want to lose
Neither one minute without me being
These repentance, no more Finjan
Verme not want more, and perhaps
You may win, I will
You will be you who lose
You will be you, you know
Verme not want more, and perhaps
You may win, I will
You will be you who lose
You will be you, you know]

Everybody need to take time to reflect
Take a space and put things in prespect'
Soon as you realize
And start to regret
And get a better hope

And get a better hope

Lose me, I love your body
