[Intro]

Somethin' new

Geah, uh

Believe me like you saw me on TV

My name is Lu, somethin' new

I show you what it does (what it does)

How it is (how it is)

And what it do (what it, do)

[Verse 1]

I saw it on TV, I was told to buy a CD

The CD told me buy a TV

The TV that I bought came with a CD that said go and  
buy the DVD

The DVD that I bought came with a CD

which was the DVD of the makin' of the TV, that I saw  
Which told me to go and buy the CD in the first place,  
wait nah

I put the DVD in the TV so you can see what I saw

But wait, it's a CD so you can't see me, odd

Maybe I should just come out on DVD like CB, far

With mad special effects and maybe a CG, car

To ride around in on your TV

Bumpin' the CD that I got when I copped the TV

Which is the same TV in my car

[Chorus]

Uh, uh, uh, uh, uh, uh

It's somethin' new

What up homeboys my name is Lu, Lu, Lu, Lu, Lu, Lu,  
Lu

I show you what it is, what it did and it what it do

[Verse 2]

My DVD is gonna come with a CD, too

And music I recorded through a CB

You see when I bought the TV I spent the money for the  
microphone and  
the home recorders too

And the phone that you need for your crew (crew)

That blocks out the noise when your voice's recording  
you (you)

Tell 'em to be quiet 'til the voice recording through  
(through)

Garage band file then export to iTunes  
Then burn a CD and put it in the CG car that you saw on  
your TV  
But you ain't gotta do that at all you see  
Cuz the whole CD is being broadcasted on CB, dog  
Break up break up, eh hee haw  
They can't do what they see me do  
But I'm the dude that's easy/Eazy too  
like I'm Eazy Juniorrrrrr  
When the CD starts, better tune in  
or you gotta watch the reruns  
Homie this is food for thought  
Better put it on your fork like G.E. Hooverrrrrrrr-ah  
[Chorus]  
Uh, uh, uh, uh, uh, uh  
It's somethin' new  
What up homeboys my name is Lu, Lu, Lu, Lu, Lu, Lu,  
Lu  
I show you what it is, what it did and it what it do (do,  
do, do, do, do)  
What up homegirls my name is Lu, Lu, Lu, Lu, Lu, Lu, Lu  
I show you what it is, what it did and it what it do (do,  
do, do, do, do)  
[Verse 3]  
Now that's two TV's that's in my car  
That's not really real man that's really a fraud  
It's from the green screen  
My CD might not pump on your block  
but at the truck stop man I'm really a star  
So how you gonna act now?  
Same music homeboys hollin' in the background (yo!)  
See I had to lay the smack down  
Act like a X addict  
Act now gateway off to the next habitat (habitat)  
Couldn't match it now I'm laying that down like a mat  
now (ooh!)  
And checkin' for me, now they pat down like a Howard  
Gap found  
I was hidin' in my shoes, with me and my two crews  
We took from other things you ain't finding in the stew  
That's why's no booth and I'm rhymin' in the Lou, still  
buying the CD  
That's why I catch 'em rhymin' in to me while they  
rhymin' in they room  
Now I'm off to Caloon for some rhymin' and some tea  
My pinky up on my tea cup  
If you play the DVD at the same time that you start the  
CD  
you gon' see that they sync up  
And if you happen to doubt, just play the CD while you  
watch the TV

and you gon' see that I'm doing what I'm rappin' about

[Chorus]

Uh, uh, uh, uh, uh, uh

It's somethin' new

What up homeboys my name is Lu, Lu, Lu, Lu, Lu, Lu,

Lu

I show you what it is, what it did and it what it do (do,

do, do, do, do)

What up homegirls my name is Lu, Lu, Lu, Lu, Lu, Lu, Lu

I show you what it is, what it did and it what it do (do,

do, do, do, do)
