Only Verse - Lupe Fiasco

From the M-A...D-I to the S to the O-N  
Po'in, to getcha open  
Move like a nigga's supposed to get the dough  
It'll go with the flow that I'm holdin'  
Joe'n'em, they ownin' up - up on enough  
Stay in the zone, that I go in  
That I go in, when I go in and go in  
Of the po'ins, and the rope man  
Crucial conflict was smokin'  
But a nigga like me, I don't be chokin'  
So I proceed at low speed, low key  
Like a OG in a '03 Loc-in'  
Rollin', like a OZ in a B-league  
Both pins, like a bowlin' ball when I ball  
But I never fall for the oki-dokin'  
White walls, with the slow-speed motion  
Stash-box for the police pokin'  
Rolie showin, shorty showin, Hokey Pokin'  
Turnin it around with me to bust em down cuz they  
know he golden  
Exactly  
I'm in it from the minute I was in it till the minute  
that I spit it and it's finished  
And it's sad for me  
Until the second wind, and reinvent it with a vengeance  
revisit and make 'em give it  
Back to me

All right, that's all you get  
I'm done  
You know what I'm sayin'?

And the streets where they traffic me  
Nigga what
