(feat. Matthew Santos)

[Chorus]

When the fighters are all around  
All the lovers are underground  
No one will save you anymore  
So what's happening, what you rapping about?  
It's a boy. Is it cars? Is it girls? Is it money?  
The world?

[Verse 1]

Or is it something they can never believe?  
Or is it something you can never achieve?  
Is it  
Beyond your means?  
Is it  
Inside your dreams?  
Can it  
Never come out cause it's scared to  
Unprepared to  
Too worried about the words of the people it's weird to  
You don't want them to hear you  
You just wish there was a door that would appear that  
you can go disappear through  
Well I'm feeling your pain  
I was feeling the same  
But I said I'd never feel that again

[Chorus]

When the fighters are all around  
All the lovers are underground  
No one will save you anymore  
So what's happening, what you rapping about?  
It's a boy. Is it cars? Is it girls? Is it money?  
The world?

[Verse 2]

Man  
I really miss my pops  
Hope that God watches over him and that he's on top  
That there is no more disease and that he's alright  
That he's one of the generals inside the army of the

light  
And grandma, you know I had to bite something from  
you  
So after every show it's "peace, and much love to you"  
Auntie Tweetie's on the way, please look out for that  
girl  
I know we'll meet again, so it's never me against the  
world

[Chorus]  
When the fighters are all around  
All the lovers are underground  
No one will save you anymore  
So what's happening, what you rapping about?  
It's a boy. Is it cars? Is it girls? Is it money?  
The world?

[Verse 3]  
I hope that God forgive us, all of us sinners  
Turn us back into beginners, put us up where the  
winners go  
Holy apartments in the gardens in which the rivers flow  
Thank you for all your blessings and all of your  
miracles  
I thank all my fans and all my supporters  
Shout out to Bishop G, congrats on your new baby  
daughter  
I tip my hat to all my family and friends  
Now we just got one more to go  
L - U - P - END

[Chorus]  
When the fighters are all around  
All the lovers are underground  
No one will save you anymore  
So what's happening, what you rapping about?  
It's a boy. Is it cars? Is it girls? Is it money?  
The world?

Congratulations ladies, this next one's for you  
Peace!
