Once upon a time not long ago
An ID yeah that's what I had
To take DNA
As a little pro two
With my MCing ways and make em mad
Just having fun not chasing cash
Apologise now for it make ya mad
Had to call g wall tell em warm up the mic
Put the pendant on the wall tell em make some
maaagiicc
Shorty it's nothing lavish
Matter of fact
It's just an attic
Background noise from the family
Hearing the mic slaying in the outside traffic
Still turned out fantastic
Turn my vocals up just a tad bit
Fresh from the first and fifteen
Quarantine touching you super cool that asset
[CHORUS: Gorillaz]
So sit on back and enjoy the show
Then lean on forward and enjoy some more
And then, sit back again
And keep on enjoying like you're enjoying before
Whether you enjoy the beats or enjoy the flow
As long as you enjoy then bring joy to Joe
And Joe is me but Woe is me when yours aint enjoying
the show
So, don't worry about the time it take
If you aint got one better find a date
A beautiful inside or a diamond take
I was probably into you a rhyming eight
Eight eight
My rhymes are straight
If you aint got one better find a date
A beautiful inside or a diamond take
I was probably into you a rhyming eight eight eight
[break]
[guitar]
[Chorus: gorillaz]
