Lil Terry gotta gun he got from the store,

He bought it with the money he got from his chores,

He robbed the candy shop told her lay down on the floor,

Put the cookies in the bag take the pennies out the drawer.

Lil Kalil got a gun he got from the rebels,

To kill the infidels and American devils,

A bomb on his waist,

A mask on his face,

Prays five times a day,

And listens to Heavy Metal.

Lil Alex gotta gun he took from his dad,

That he snuck into school in his black book bag,

His black nail polish, black boots, and black hair,

He gon blow away the bully that just pushed his ass

Lil Joker gotta gun he bought on the street

To go and kill the niggas that beat him up last week

Cuz he dont let go none of his past beefs

Bullets flyin out the window

Shells landin on the seats

Lil Sarah gotta gun from her Uncle Sam

She got armor piercing rounds and her gun dont jam

She gotta Laser
Gotta rocket
And she killing to go to college
She thought it was an insurgeon
It was some old man

You can get guns on the internet
AK's, glock9's and interTeks
So when you see a shorty
