(Clip from Farenheit 911)

Awootho billahee min shaytaan nirrajeeme bismillah hir  
Rahman neer raheem

(Athaan)

This is one's for all my brothers and sisters who died in  
Iraq, Israel, Afghanistan and right here in America

[Chorus]

(Jesus Walks)

Abraham Talked

Muhammad Talked

And Moses split the sea

(Jesus Walk with me)

I ain't tryin to profit of the prophets so this one's for  
free

[Verse 1]

G's up along with Muhammad and Jesus

In the Quran they call him Isa

Don't think Osama and sadaam are is our leada

We pray for peace, but the drama intrigues us

All, so we fall for the illusions of the beast

So instead of tryin to teach we show our teeth

Saying God, different beliefs

Hijabs, Sunday clothes, yamika, kufi, same mission  
beneath

We all tryin to get to where the sufferin ends

In front of the Most High bein judged for our sins

Can front for the Most High, so the struggle

Continues

You, every bird, bird and tree, me, her and me

We virtually on the same boat

With the same goats, on the same sea

Tryin to stay afloat, and put the devil in the yolk

With a couple of God's quotes

(CHORUS)

ATHAN  
(astaghfriullah)

[Verse 2]

And to the sisters and the mothers of ours  
Who cover themselves cause they're lovers of God  
The Creator of the worlds, Sculptor of the stars,  
During Hajj we walk, through Ramadaan we starve  
Though you not eatin, there's a feedin of the mind  
A defeatin of the demons, a seein' of the signs  
A leanin on the lines from the surahs  
Getting purer, God deemed it unclean  
(Ther's no eatin of the swine)  
Nor drinkin' of the wine  
We all been to the wind, so I send out a message to my  
kind  
I'm Cordial to Mr Norfull, Mrs. Adam you're the theme  
song when I'm battling\*  
Creb flow, player whats happenin  
I can hear the truth in your rappins'  
(No)  
Sex before you marry  
No grudges  
You should be carry no lyin  
Not supposed to be gamblin'

CHORUS

(I know it sounds familiar)  
We all the same man  
It's all a game  
The devil hate each and every one of us exactly the  
same  
(I wanna walk like Jesus, talk like jesus SAW)

[Verse 3]

You know  
(uh)  
And To my Akh's tryin to stay on their deen  
It gets mean especially when u stay on the scene  
And at the same try to stay out of trouble  
But don't forget the blessing's in the struggle  
The Most Forgiving will forgive it if you stay repentant  
And hustle  
You gotta stay on your salats, your zakats, your Quran  
To my homies and miskeen  
Astagfurallah,  
Allah forgive us all  
For we all are sinners  
Bless us to be among the winners  
When it ends

But until then please strengthen the mission within our  
hearts  
All praise is due to God  
(Amen)  
Tellin it how it was taught me  
I ain't tryin to sell it can be brought for free  
This is how it is  
Now how it ought to be  
Muhammad talk to me  
Jesus walk with me  
I hopeâ€¦!

(CHORUS)
