[verse 1:]

Let's go, hah
It's some fresh new vans on my fresh new plans
Obama lied to you you nigga know you can't, ha
Change these nuts, shout to fox news tryin' ta change
me up
Saw uncle rush but i still don't vote
Cause niggas on the ballot and there's still no hope
So i'm back in the hood, englewood to inglewood
Doin' work that politician should, good
Blocks do they best tryin' to break my heart
Just tryin' to make you smart when i make my art
Occupy forever, more tents to the park
Howard zinn gettin' spins in the benz
If it's npr, diane rehms
Kai ryssdal, any good man
Sorry bill o'reilly but i'm so involved
Can you ask limbaugh to return my calls

[verse 2:]

Yeah, atlantic on the fritz
Cause i might not step foot back in that bitch
It disgusts me like jerry sandusky
Goodness gracious pedophiles and rapists, in high
places
Not to mention slavery and slave ships
Come on lu, gon' and keep it out the past
Tell jerry's cellmate try and keep it out his ass
What happened to the class? all the low blows
I guess that most of the kids are black from the choke
holds
As long as y'all win you can still put it in
Yup, hip hop back with a vengeance
Spirit of chuck d with a whole lot of entrance
Just inches from the interest
Not to knock nice, but to knock it off the hinges, huh

[break:]

I'm just playin', i'm just playin'
You know i like y'all
Well, some of y'all
But you know who i'm talking to, i rock with y'all

You know we do it big
Atlantic records first and fifteenth all day
Yeah, let's go

[verse 3:]

Soundclash in vegas, only dropping those new kaskade
hits

Let's see how crazy the rave gets

Might play my 2pac favorites

Me and sky back in the labs

Q came through with beats by the back

Shout to bassnec, count all that cash

Whatever you do, don't drop that flag

Watch is still gold, chain is still gold

Feelin' brand new, ferrari still old

Got the dreads cause marley still cold

Gtr my car be real slow

Nah my car be real close

To the speed of the light when i be on roads

Flow like i be on roids and i be on ten when i be on tour
