project, you know what I'm saying, I like to call it

Switch.

You you you, yes let the words woo you
till you woozy.

Let the lyrics subdue you,
massage and sooth you,
move you till conscience lose you.

Lu now rules you,
you do what Lu do and you'll do beautiful.

Switch.

I'm the meanest.

You the meanest?

I'm the meanest

and I mean this.

now I don't mean this

to sound fiendish,

but I'm a genius.

You a genius?

And the cleanest.

Never seen this

as clean as

From on top,

from underneath,

from behind

or in between.

Switch.

I'm a hustler creeping with my hat low.

Niggas know I pack so,

what they gonna do that for?

Niggas got my back though

like answering the back door.

Catch you I'm a slap you, leave you redder than the bat
phone.

Switch.

With a little bit of this and a little bit of that.

That.
Mixed with a little bit of pimp,
and a little bit of mac
and a little bit of limp
and a whole lotta gangster lean.
I can't be seen.
I ain't the King, but a nigga is strengthening
to paint the scene
and take the thing over
like a soldier caught in a polo gather hood like a cobra
nigga thank a teen
Switch.

Switch.

Hey hey hey, it's coming back to you.

Lu no longer rules you.

You can do what you do.

Back to your usual.

Switch.

It's official.

It's official.

I'm official,

as officials

who got the stripes

and the flags

and the whistles

Switch.

Whistle and watch my niggas come

from the underground,

just like Thriller play Bambi

and you gonna hear that double sound.

Switch.

They can't touch the sound

that I'm busting now.

It's like a cloud trying to touch the ground.

Tough and bound, ever since we're touching down.

Jealous niggas catch your feelings cuz I'm hustling
now.

What?

Switch.

They be hating.

They be hating.

Switch.

What? What? What?

They be hating.
Don't give them stage
Switch.
What's a nigga supposed to tell them when they up in
my face then?
Switch.
That you got a cousing that don't mind catching cases.
Busting niggas' heads in, slapping niggas' faces.
Switch.
And he a do it.
He a do it.
He a do it.
And I'll prove it.
Cuz I didn't seen it.
You didn't seen it?

He the meanest.
Switch.
Ho, ho, ho. Wait.
I mean it,
I thought you were the meanest,
see?
That's why this thing is fiendish.
Right, now.
Switch.

[Outro: Lupe talking]
Yeah, experiment done. I think that was a goody, I think
that was a good experiment, I think that was nice. It's a
nice little science project.
