The game was looking weak, the whole scene starved  
So I came through with some Muscle Milk and protein  
bars

Barbells and jump ropes, Bowflexes to body it  
And a couple Billy Blanks Tae-Bo Karate kicks

where Taraji is

I am going so raw watch me Soy Sauce, Wasabi this  
Nobu/noble on them Pro-Tools, hot as H-E- double  
hockey sticks

Make sure you give the chef your compliments  
And thank him for his constantly great tasting  
accomplishments

A smiley face, emoticons if you want to remain  
anonymous

My retirement's on hold, I got the whole world on  
conference

Matchstick Man, I really have the confidence  
That I'm a give them G.O.O.D Music like Common Sense  
and Consequence

Content that's relative across the continent  
New York, Houston, Chi-Town, Los Angeles
