Once in your life you'll find her
Someone who turns your heart around
And next thing you know
You're closing down the town

Wake up and it's still with you
Even though you left her way across town
You're wondering to yourself
Hey what've I found

When you get caught between the moon and New York
City
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do
The best that you can do is fall in love

Arthur he does as he pleases
All of his life his master's toys
And deep in his heart
He's just, he's just a boy

Living his life one day at a time
He's showing himself a really good time
He's laughing about the way
They want him to be

When you get caught between the moon and New York
City
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do
The best that you can do is fall in love

When you get caught between the moon and New York
City
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do
The best that you can do is fall in love

When you get caught between the moon and New York

City
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do
The best that you can do is fall in love

When you get caught between the moon and New York
City
I know it's crazy but it's true
