I feel so unsure  
As I take your hand and lead you to the dance floor  
As the music dies something in your eyes  
Calls to mind a silver screen  
And all its sad goodbyes

I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool  
I should have known better than to cheat a friend  
And waste a chance that I've been given  
So I'm never gonna dance again  
The way I danced with you

Time can never mend  
The careless whisper of a good friend  
To the heart and mind ignorance is kind  
There's no comfort in the truth  
Pain is all you'll find

I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool  
I should have known better than to cheat a friend  
And waste a chance that I've been given  
So I'm never gonna dance again  
The way I danced with you

Tonight the music seems so loud  
I wish that we could lose this crowd  
Maybe it's better this way  
We'd hurt each other with the things we want to say  
We could have been so good together  
We could have lived this dance forever  
But now who's gonna dance with me, please stay

And I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool

I should have known better than to cheat a friend  
And waste a chance that Iâ€™ve been given  
So Iâ€™m never gonna dance again  
The way I danced with you

Now that you're gone  
Now that you're gone  
Now that you're gone  
Was what I did so wrong  
So wrong that you had to leave me alone
