Lately I see clouds of sorrow in your eyes
Some deep sadness you can never quite disguise
Now I'm scared to ask what it's leading to
But I'm more afraid of not asking you

Is there something that you want to tell me
Is there something that I ought to know
Are we something that's still worth fighting for
Or should I simply let you go
Is there something I can do to reach you
Are we something more than history
I'll find some way to convince you to stay
If you just tell me honestly
Is there something left of you and me

You've got secrets you've been keeping for too long
And I'm going crazy acting like there's nothing wrong
I can taste the truth every time we kiss
And I can't go on, at least not like this

Is there something that you want to tell me
Is there something that I ought to know
Are we something that's still worth fighting for
Or should I simply let you go
Is there something I can do to reach you
Are we something more than history

I'll find some way to convince you to stay
If you just tell me honestly
Is there something left of you and me

I don't want to lose you
But what's the use of holding on
I don't really have you
If the feeling's gone

Is there something I can do to reach you
Are we something more than history
If there's no way to convince you to stay
And be the way we used to be
Then there's something that I wanna tell you
And I want you to believe it's true

We had something that Iâ€™ll never forget
Even if I wanted to
Cos part of me will always be with you

Is there something I can do to reach you
Are we something more than history
If there's no way to convince you to stay
And be the way we used to be
Then there's something that I wanna tell you
And I want you to believe itâ€™s true
We had something that Iâ€™ll never forget
Even if I wanted to
Cos part of me will always be with you
