Every once in a while Iâ'd see your smile
As you turned my day around
Girl, with those eyes that stared through the lies
And see what your heart was saying

Think of Laura but laugh, don't cry
I know she'd want it that way, yeah, yeah
When you think of Laura, well laugh, don't cry
I know she'd want it that way

A friend of a friend, a friend til the end
That's the kind of girl she was
Taken away so young
Taken away without a warning

Think of Laura but laugh, don't cry
I know she'd want it that way, yeah, yeah
When you think of Laura, well laugh, don't cry
I know she'd want it that way

I know you, and you're here
And every day we mend
And know her and, well she's here
I can feel her when I sing

Hay Laura, where are you now
Are you far away from here
I don't think so, I think you're here
Taking our tears away

Think of Laura but laugh, don't cry
I know she'd want it that way, yeah, yeah
When you think of Laura, well laugh, don't cry
I know she'd want it that way, yeah, yeah
Well I know she'd want it that way
Hay Laura, hey Laura
I know she'd want it that way
Hey Laura, hey Laura
I know you want it that way
Hey Laura
