Words by Christopher Cross and John Bettis  
Music by Christopher Cross and Michael Omartian

Checkin' out the sand streets  
Of this island town  
Got my cold Dos Equis  
Watchin' women brown  
They call it Paradiso  
It looks like paradise  
And it's looking better all the time

Now I'm dancin' in the moonlight  
The party's everywhere  
It's all a sweet seduction  
To the rhythm in the air  
Local girls are talkin'  
I hear their bodies say  
This boy won't be leavin' lonely

It's je t'aime, it's amore  
Te quiero, mi chica  
If it's good you'll get the message  
It's je t'aime, it's amore  
Eu te amo  
Love is love in any language

She caught my intention  
When I caught her eye  
We just started movin'  
Never askin' why  
Faded into passion  
That girl and I  
Love is love in any language

Let your heart talk to the girl  
Love can take you 'round the world

Aloha wau in oe  
If it's good you get the message  
Love is love in any language

Nakupenda mno sana sana

When it's good you get the message  
Aku chinta kamu  
Love is love in any language

Ich liebe dich, mein fraulein  
If it's good you get the message  
Love is love in any language
