Words and music by Christopher Cross

You're the minstrel gigolo

Don't you know

You sing your songs of love so soft and low

And they want you more and more

All the young and lonely girls wait for you

There by the backstage door

And they're hoping to

Be the one

And when you start to sing

You will be their everything

And when you start to sing

Every woman will open up her heart

And let you in
