I never had anything happen so fast
Took one look and I shattered like glass
I guess I let it show cos your smile told me you know

That you're everything I ever wanted at once
There's no holding this heart when it knows what it
wants
And I never wanted anything more than to know you

I was swept away
No-one in the world but you and I
Gotta find a way to make you feel the way that I do
I was swept away
Without a warning like night when the morning begins
the day
I was swept away

And so it begins, this journey of love
The summer wind carries us to places all our own
The words of a look, the language of touch
The way that you want me means so much
And I never wanted anything more than to love you

I am swept away
No-one in the world but you and I
gotta find a way to make you feel the way that I do

I am swept away
Without a warning like night when the morning begins
the day
I was swept away, away
Seeing my tomorrow's in your eyes
I was swept away

Ooh, I hope I wake up soon
Ooh, Iâ€™m a victim of that crazy moon

The very first time you said my name
I knew it would never sound the same
Something about me has changed forever

Can't you see that Iâ€™m swept away

No-one in the world but you and I
Gotta find a way to make you feel the way that I do
I am swept away
Without a warning, like night when the morning begins
the day
I was swept away, away
Seeing my tomorrow's in your eyes
Gotta find a way to make you feel the way that I do
I was swept away
Without a warning, like night when the morning begins
the day
I was swept away
We were swept away
Dreaming of you
Swept away
