Maybe I remind you of a lover you had  
Maybe I'm crazy and I make you laugh  
Maybe you thought I had a lot of cash  
I don't care what it was  
But I love what it does

I really dig that your apartment's a mess  
I dig the way the sun shines through your dress  
I did your industrial shoes  
I could say I'm kinky I guess  
I can't believe my luck  
You're such a fabulous fabulous mmm

I'm walking in Avalon  
And drunk on everything  
Her hero in Avalon  
A man who would be king

It's cool we both like Bogart and Bacall  
It's cool that I like John and you like Paul  
Baby it's cool forever cool that your spirit is free  
And still you've chosen me

I'm walking in Avalon  
And drunk on everything  
Her hero in Avalon  
A man who would be king

Remember those mushrooms down in Mexico  
How we found our clothes I'll never know  
Baby I hope I've loved you the way that you have loved  
me  
A toast to Guinevere  
Let's fill our grail with one more beer

I'm walking in Avalon  
And drunk on everything  
Her hero in Avalon  
A man who would be king

We're walking in Avalon

Alive is anything  
Two heroes in Avalon  
So let the sirens sing
