If there's something you want to do
Do it while alive
Don't wait until you're dead oh
Come on do it now
If it's me you want to please
Oh baby please me while alive
Don't wait until I'm gone oh
Come on do it now
If you want to tell me something
Go ahead now
If you want to say you love me
Go ahead now
If you want to send me flowers
Go ahead now
If you want to take me somewhere
Go ahead now

We live but only once
Do something while alive
Do wait until you're gone oh
Come on do it now
If it's me you want to please
Oh baby please me while alive
Don't wait until I'm gone oh
Come on do it now
If you want to tell me something
Go ahead now
If you want to say you love me
Go ahead now
If you want to send me flowers
Go ahead now
If you want to take me somewhere
Go ahead now

You know I know
Live ain't permanent
You know I know
Live is not forever

You know I know
Live ain't permanent
You know I know

Live is not forever

You know I know
Live ain't permanent
You know I know
Live is not forever

You know I know
Live ain't permanent
You know I know
Live is not forever
