Gainsbourg and his gainsborough

Took the ferry-boat

From their beds, through the porthole

They watch the shore

They love eachother and the crossing

Will last a whole year

They'll overcome the evil spells

Till 1970

69 erotic year

69 erotic year

Gainsbourg and his gainsborough

Are going to reach Paris

They had left behind them

Thames and Chelsea

They love eachother and the crossing

Will last a whole year

May the gods bless them

Till 1970

69 erotic year

69 erotic year

They love eachother and the crossing

Will last a whole year

He'll excuse their whims

Till 1970
