I'm an underwater Fraulein
All I know is my rhyme
All I know is my rhyme

Long lost daughter of mine
Can you send me a sign
Can you send me a sign

Feels like devotion
Under my skies
Feels like devotion
Makes the rockets fly

And I don't know if a word
Can explain all the possibilities
And I hope it is clear
I don't think complaining is
The answer here

I'm an underwater Fraulein
I'm an underwater Fraulein

Feels like devotion
Under my skies
Feels like devotion
Makes the rockets fly

I think sometimes
You're right, when I'm wrong
I think sometimes
You're wrong, when I'm right

I think sometimes
You're right, when I'm wrong
I think sometimes
You're wrong, when I'm right

Thank God I can see your side

Feels like devotion
Under my skies
Feels like devotion

Makes the rockets fly

Feels like devotion
Under my skies
Feels like devotion
Makes the rockets fly

I think sometimes
You're right, when I'm wrong
And I think sometimes
You're wrong, when I'm right
