I'm stone free
Soulless one
I wash myself
Down to the dust

I might be a mess
But I try to stay pure
You're takin' away
My soul, my soul

Hey, energy sucker
I'm a goddess
Not your mother
Hey, you're soulless

You're soulless

You got the pull
Of a riptide
Too tight man soon
You're gonna suck me in

I better stay tough
Or you're gonna get me
Well now I wish that you
Never even met me

You're a type who acts nice
Just to get things
I can't relax 'cause
You're standin'
In your own wings

You pretend you're
Grown up and satisfied
That's another lie
What can you give me?

You're soulless
You're soulless

Hey, energy sucker

I'm a goddess
Not your mother
Hey, you're soulless

I, I got a way to get out quick
In a second I'll be through
With your old tricks

Kinda funny how you try
To play innocent
I gave it up now
I don't know where it went

Suckin' up to the fool
Who gets near you
Now we're through
And I know just what to do

I'm cuttin' you off
Yeah, you it's true
I'm cuttin' you off
Yeah, you

I'm stone free
I'm stone free

I gotta get out
I gotta get out quick
I gotta, gotta get out quick

I gotta get out
I gotta get out quick
I gotta, gotta get out quick

I gotta get out
I gotta get out quick
(Hey, energy sucker)
I gotta, gotta get out quick
