I cry for the love in your eyes
I try to let you be free

If you're blue
Don't let it worry you
You'll make it through
And if you don't believe me

Faith will come humbly down
Fear will come tumbling down

Cynics may fill the books
Critics may give you looks

But I'll stand by you 'til you die
And I'll be wise in the afterlife

Faith will come humbly down
Fear will come tumbling down
Faith will come humbly down
Fear will come tumbling down
Faith will come humbly down
Fear will come tumbling down
