(Dunbar/Gargwer)

See that we're so close together (???)  
So far we're just friends, but I've been wonder  
whether...

I am just imagining you  
Do you really have a thing for me?  
Like I think I see when I see you smile and the smile's  
for me  
I've gotta tell ya...

Hey you! I wanna be your girlfriend  
Trying to say I wanna be your number one

Hey you! I wanna be your girlfriend  
Gonna make you love me 'fore I'm done

Late at night when I, when I go sleep  
Picture in my mind, I see you and me

I am telling you what I wanna be  
You, you say you are in love with me

Even though this'll (???)  
That I know in life it's just got to be(???)

Hey you! I wanna be your girlfriend  
Trying to say I wanna be your number one

Hey you! I wanna be your girlfriend  
Gonna make you love me 'fore I'm done.

I'm gonna make you love me  
Yeah I'm gonna make you love me  
Yeah I'm gonna make you love me from now on

I am just imagining you  
Do you really have a thing for me?  
Like I think I see when I see you smile and the smile's  
for me

I've gotta tell ya

Hey you! I wanna be your girlfriend  
Trying to say I wanna be your number one

Hey you! I wanna be your girlfriend  
Gonna make you love me 'fore I'm...

Hey you! I wanna be your girlfriend  
Hey you! I wanna be your girlfriend  
Hey you! I wanna be your girlfriend  
Gonna make you love me

Yeah, I'm gonna make you love me  
Yeah, I'm gonna make you love me 'fore I'm done.  
Yeah, I'm gonna make you love me 'fore I'm done.
