He lives his life in a world full of women
And he takes what he wants from their love
And he throws the rest away
I cling to him and pray
But still he slips away
And now it's just too late
To wish him back again.
She won't put up with this life so she leaves him
And she finds someone else, falls in love
And she travels far away
I say that it's ok
And swallow all my pain
And now it's just too late
To wish her back again.
They left me here on my own in a nightmare
And I just can't forgive any more
So I smile and turn away
Don't listen when they say
They wish that I could stay
And now it's just too late
To wish me back again.
