(Anderson)

Only children sometimes comprehend  
Loneliness can often be a friend

Have to shut yourself in  
Don't know how to begin  
Telling it to someone  
Who doesn't fit in

I am sunken in biology  
I cannot control that part of me

I don't want to hurt you  
But I know I will do  
Maybe we could find out  
What are we to do

I don't have long fingernails to use  
Would we care if we were black and blue?

We're both sick but still you hold my hand  
We're together but I understand

Walk along the seaside  
This is not a joyride  
Tell me in the meantime  
It's ok
