(Anderson)

Ooh

Outside you are waiting for me, hiding

You catch me when I am
Needing a friend to hold

You can soothe me, lie above me
Press hard

Then you strike
And I think that I'll die
'Cause I can't breathe, can't breathe

Please let me start screaming
Please let me start screaming
Please let me start screaming
Please let me start screaming

Ooh

Please let me start screaming
Eyes are open seeing nothing
Hands are tied and I can't function

Please let me start screaming
Please let me start screaming
Please let me start screaming
Please let me start screaming
Please let me start screaming
