Can you hear me,

Talking in my mind.

I can feel you,

You're with me all the time.

Everytime I close my eyes,

I see your face.

Everytime I close my eyes,

I see your face

There's a warm sky,

covering the night.

In the darkness,

I only feel the light.

Everytime I close my eyes,

I see your face.

Everytime I close my eyes,

I see your face.

Everytime I close my eyes,

I see your face.

When I'm lonely,

your voice is in my head.

And my memory feeds my soul,

with all the things you've said.

Everytime I close my eyes,

I see your face.

Everytime I close my eyes,

I see your face.

Everytime I close my eyes,

I see your face.
