You say you hurting, almost lost your mind
And the man you got now, mistreat you all the time
When things go wrong, go wrong with you, it hurt me
too

You love him more, when you should love him less
While I won't stand, to see you take all of his mess
When things go wrong, go wrong with you, babe it hurt
me too

Quit him now, before he put you down
Maybe I won't be there, when the tears start falling
down
When things go wrong, go wrong with you, you see it
hurt me too

He loving another woman, I love you
But you stick with him, just like super glue
When things go wrong, go wrong with you
O let me tell ya, it hurt me too
Alright baby

So I guess we got to say it now
We gotta go
It hurt me too

If you havin' a good time with Luther Allison let me hear
you say yeah

Once again Luther Allison, how bout it, the soul fixin'
man
Luther Allison, and the Memphis Horns, how bout it
for'em

Luther Allison, one more time, Luther Allison, how bout
it for'em
Yeah good night everybody
