Will you love me like I love you?  
Will you still love me when I do the things I do?  
And when I'm standing on shakey ground  
Will you still love me just as I am?  
Will you promise to be honest?  
Will you promise to cross your heart?  
And when I'm hurtin' and I don't give a damn  
Will you love me just as I am?  
Just as I am  
Just as I am  
I put my heart in your hand  
Just as I am  
Oh yeah

Will you hold me like a baby?  
Will you hold me, mmm-mmm, when I'm not able?  
And when I'm a-looking at the Promised Land  
Will you still love me, love me just as I am?  
Oh, hold me  
Will you still love me just as I am?  
Just as I am?  
I want you to love me  
I want you to love me  
Love me, love me, love me, love me  
Just as I am  
Ooo yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Baby, baby, baby  
Come on and love me  
Come on and take me  
Take me just as I am  
Whoa-whoa-whoa-oooh baby  
Take me just as I am  
You gotta take me  
Take these arms of mine, come on  
Take me just as I am  
Just as I am.
