You midnight creeper, daytime sleeper  
You don't try, try to please me

I gave you everything, that you say you need  
All you got to do, is listen to me, oh baby

I know your mine why don't you try  
Tell me what's on your mind  
You gotta give a little bit of lovin' sometimes now

Now honey, alright  
(You midnight creeper)

Don't say, you were satisfied  
When were alone, I can look into your eyes, well

No more running around at night  
All you gotta do is try and treat me right  
I gave you everything you say you need  
Take a little time and try to keep me pleased now

Come on baby, try to keep me pleased  
All you got to do baby is think about me, think about me  
sometime

I know (Midnight creeper) what your doing babe  
Sometime you got to wonder, am I free, (You midnight  
creeper) do what I wanna do

Am I free, go where you wannna go  
I wonder do you love me, (You midnight creeper) I  
know that's what going on in you mind

Tell me girl, what I feel like  
(You midnight creeper) You midnight creeper

And I know, you a day time sleeper (You midnight  
creeper)

The problem is, you don't try, baby you don't try and  
please me

(You midnight creeper)

And I know, I give her everything, that you say you  
need

(You midnight creeper)

All you gotta do baby, oh you a midnight creeper, girl  
Your a day time sleeper

Yeah yeah yeah  
Midnight creeper
